

NOTICE OF RACE
NEUSE YACHT RACING ASSOCIATION WINTER SERIES 2021-2022
(INCLUDING THE HALLOWEEN REGATTA)

LOCATION

Races will be held in the vicinity of Neuse River markers #17 and #19 and Broad Creek #2 near New Bern, NC.

RULES

The regatta and series will be governed by the 2021-2024 Racing Rules of Sailing. All boats shall comply with N.C. Wildlife Commission and U.S. Coast Guard safety regulations.

ELIGIBILITY

Entries shall be accepted from skippers of sailboats 21 feet or longer with a current NC PHRF rating certificate. Eligible boats may enter by sending the completed entry form and required fee to the address given or by registering online at Regatta Network.

FLEETS AND CLASSES

Anticipated fleets are Spinnaker, Non-Spinnaker, and Fun Class. Fun Class can be selected at the request of the registering skipper and the sailboat must adhere to the rules for a Cruising fleet boat as prescribed by the ICRC (see definition at the end of the NOR). The fun class will sail a medium distance race with pursuit start for every race day except for the last scheduled race day on February 5, 2022, when the fun class will all start on one line with the same start time. **The Fun Class will have both starts and finishes recorded by Race Committee.** Spinnaker and Non-Spinnaker fleets will race either a Windward/Leeward or Triangle course as determined by the PRO, based on weather conditions. NYRA encourages safe COVID practices by all involved. The PHRF class splits for the Spinnaker and Non-Spinnaker fleets will be as defined by the "ICRC Rules for Regional Championship Events 2016": A<=120, 123>=B<=192 and C>=195. The goal is to race every class in a fleet together so that an overall winner for each fleet can be determined even if there is only one entrant in a class. There will be no class splits in the Fun fleet.

A provisional/temporary PHRF certificate may be issued to a participating sailboat by the PRO at his sole discretion, pending sufficient warning prior to the start of the regatta or series.

RACE COMMITTEE

The PRO for this series will be determined by the organizing authority prior to each Race Day. Racing will be canceled on any day the RealFeel temperature as defined by Accuweather for New Bern is forecast to be at or below 35 degrees at the scheduled start time of racing. A pre-determination will be made the day prior to the race at noon based on the forecast for the start time of racing on www.accuweather.com for New Bern. If the forecast predicts that the RealFeel temperature will be at or below 35 degrees at the start of racing the next day, racing will be cancelled. Notice of the cancellation will be posted on the NYRA website and sent to all the members of the Mailchimp NYRA email mailing list ASAP. Racing will be cancelled when the sustained wind speed as measured by the PRO is above 25 knots prior to the start of a race. Racing can also be canceled due to inclement weather at the discretion of the PRO at any time prior (including earlier than the noon decision on the day prior).
